

# Murrayburn Primary School Home Learning

## Primary 4 Monday 11<sup>th</sup> January 2021

### Literacy

#### Spelling

**We are learning to spell words with our new spelling patterns.**

See attached sheet.

#### Writing

**We are learning to write instructions.**

Write instructions to describe and explain how to make or bake something of your choice. You should present your writing in a step by step sequence and use a range of openers to begin your sentences. You can see helpful tips and suggestions to help make your writing AMAZING under this weeks P4 File on Teams.

Remember to post a picture of your work for your teacher to see!

#### Reading

**We are learning to use a dictionary.**

Choose a story, non-fiction book or magazine. AFTER reading or listening complete this activity.

Dictionary Detective – choose 5 words in what you read and look up their definition in the dictionary or online.

### Numeracy

#### Maths Topic – Time

**We are learning to tell the time.**

How good are you at telling the time?

Complete the attached worksheet activities.

Mild – Analogue Clock Faces

Spicy – Word Problems colouring

Hot – Word Problems

In addition to the time worksheets, create a timetable for your week.

Your timetable should include; the day, time and details of what you are doing during the week.

Can you use a calendar to mark Birthdays and special events?

#### Maths Topic – Time

**We are learning to tell the time.**

Make a sleep diary for the week which includes what time you go to bed and what time you wake. Calculate how many hours sleep you get each night.

#### Sumdog – Mental Maths

Remember to log onto Sumdog for new Maths challenges!

You can also log onto

<https://www.topmarks.co.uk/maths-games/daily10> for the Daily 10 each day!

**Goals for 2021** - Have a think about your goals in Maths. What would you like to achieve this term? How will you achieve your goal?

### Other Tasks

#### French

**We are learning to name food in French.**

Have a look at the attached PowerPoint all about French food and complete the French food matching activity. Why not create your own French Menu? Can you set up a French café and label the food in French?

You can learn French words for different fruits by watching this video!

<https://bit.ly/2Y8bW8x>

#### Electricity Revision

**We are learning to explain Electricity.**

[What is electricity? - BBC Bitesize](#)

Take notes and try to explain your understanding of electricity to an adult. Complete the quiz.

#### Watch – Where does Electricity come from?

[Mains power and the dangers of electricity - KS2 Science - BBC Bitesize](#)

#### Electricity Model

**We are learning to make a model.**

Create and make a 3D model of an electricity pylon or a model of a power station. Use scrap materials from home & ask an adult before you begin! You could write instructions about how to make your model!

We would love to see a pic of your model!
