Literacy

Spelling

We are learning to spell words with our new spelling patterns.

See attached sheet.

Writing

We are learning to write and create a comic strip.

If you could have any super powers, what would you have? What kind of superhero would you be?

Use the PowerPoint and planning sheet to help you in creating your own superhero and comic strip. Make sure to use WOW words and speech to make it exciting!

Remember to post a picture of your work for your teacher to see!

Reading

We are learning to expand our vocabulary.

Choose a story, non-fiction book or magazine. BEFORE finishing reading or listening complete this activity.

Predictor – What do you think will happen at the end of your story? Write at least three full sentences on what you think will happen and why.

Numeracy

Maths Topic – Fractions

We are learning to identify fractions of an amount.

Watch the attached PowerPoint to help you complete your worksheet.

Mild – Finding a half, a third and a quarter of amounts.

Spicy – Finding bigger fractions of numbers.

Hot – Finding bigger fractions of numbers.

Bonus task – have a look at the Fractions word problem sheet and have a go!

Sumdog – Mental Maths

Remember to log onto Sumdog for new Maths challenges or Topmarks for Hit the Button and the Daily 10! <https://www.topmarks.co.uk/maths-games/daily10>

Keep Connected – Cooperative Drawing

With your family, agree on a theme for the drawing, for example a garden, a playground etc. Give everyone in your group a sheet of paper. Invite them to begin their own drawing. After a few minutes give a signal. On the signal everyone must pass the drawing to the next person on their right side. They must continue the drawing until they hear the signal. Continue until each person gets their picture back. Discuss how difficult it was to cooperate and trust others to continue your work.

Other Tasks

French

We are learning to name our family members in French.

Who is in your family? Follow and complete the tasks on the PowerPoint. Once you have completed this, draw your own family tree and label in French! Watch the following clip to help you: [Family members in French | Beginner French Lessons for Children - YouTube](#)

Show Don't Tell

We are learning to show emotions through descriptions.

Create a character, pick an emotion, and draw them feeling this way. Afterwards, write SHOWING sentences about how your character entered their classroom on their very first day of P4?

Music

Please watch the following video, complete the task then post a comment, photo or video on the Music Channel. <https://youtu.be/6EU800i1v-g>

Health and Well-Being

We are learning to create the emotions that we feel.

For this task, you will need to watch the film 'Inside Out'. Once you have watched this, think about what five emotions do you have in your head? These may be different from the ones in the film. Design and create the five emotions you feel within you and label them.
