

Murrayburn Primary School Home Learning

Primary 7 Week 1

Literacy

Spelling Rule: ex at the start of a word.

Write down 10 words that have ex at the start. Try to find at least 5 words that you don't know how to spell. Practice them by writing them out 3/4 times and then write 6 sentences using your words.

Listening and Talking

Ask someone in your house what their favourite part of Christmas was and then ask them 4 questions about it.

Reading Head to: <https://www.oxfordowl.co.uk>

At the top right hand side there is a button that says 'My Class Login', click it and use

Username: Murrp7 Password: Monster1.. Click on: 'My bookshelf' and then choose an e-book that looks interesting and appropriate to your ability and listen to it online.

Create a list of questions about what you have just read and answer them in FULL SENTENCES!

Writing **Look out for a video to help you**

Write a letter to your teacher explaining the year you have had and what your new resolutions are for this year. New Years resolution is something you are going to try and do this year.

Make sure you have at least 3 paragraphs (introduction paragraph, all about this year paragraph and new year resolutions paragraph).

Remember to include the different features of a letter (address, date, dear and so on).

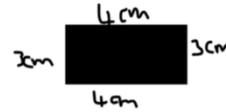

You can either write it on paper then take a picture of it and upload it to your own channel or type it on your device and upload it to your channel

Numeracy

Perimeter **Look out for a video to help you**

Remember how to calculate the perimeter of a shape? You **ADD** all the sides together.

$$P = 4 + 3 + 4 + 3 \text{ so } p = 14\text{cm}$$

Draw some square or rectangles and put in your own measurements. Then calculate the perimeter of your drawn shape.

Mild: 6 shapes Spicy: 10 shapes Hot: 15 shapes

Tables

Choose 2 different times tables you want to get better at. Try and recite them and learn them off by heart.

Try not to just learn the order but the actual calculation.

Get someone at home to test you.

Sumdog

Log onto sumdog and complete your diagnostic assessment! Don't worry, it's not a proper test! It just lets sumdog know what your maths is like so that it can provide you with the correct level in your games!

Problem Solving-

24 game: Try to make 24 using the 4 processes (+ - x ÷)

9 3 8 6 9 7 3 3 9 5 8 6 6 4 2 6 7 6 7 3
9 4 3 4

Other Tasks

Music and STEAM

Check out the music and STEAM channel on our P7H team and see what Miss McDonald and Mrs Isles have given you...

PE

60 Second Challenge

How many times can you bounce over a pillow in 60 seconds? Both feet must land over the pillow for the jump to count.

Try this everyday to see if you can improve.

Life Skills **Look out for a video to help you**

Tidy your bedroom and make your bed in a different way each morning.

See how creative you can be!

Art

Who's been framed?

Gather some loose materials indoors or outdoors and create a portrait of someone you know. Ask someone if they can guess who it is!
