

# Murrayburn Primary School Home Learning

## Primary 4 Monday 1<sup>st</sup> March 2021

### Literacy

**Spelling** We are learning to spell words with our spelling patterns.

See attached sheet.

**Writing** We are learning to write a story to describe emotions through 'show, don't tell'.

[The Present - THE LITERACY SHED](#) Click on the link and watch the video. Write a recount of what feelings the boy felt at the start and how they changed towards the end.

### Reading

We are learning to read for information about Electricity and Energy.

Complete the questions in the document [Electricity Reading Comprehension](#).

### Potato Growing

Over the next few weeks we will be learning about potatoes and how to grow them so we can grow our own at school!

Watch the following video – [POTATO | How Does it Grow? - YouTube](#)

Complete the Story of Potatoes page from the [Super Sonic Spuds Activity Pack](#) along with the Potato Plant Parts sheet.

### Numeracy

#### Maths Topic – Multiplication & Division

We are learning to work out word problems by using strategies to help us.

Watch the attached PowerPoint to help you to complete your task.

**Mild** – 2, 5 & 10 times tables

**Spicy** – 3, 4 & 8 times tables

**Hot** – Mixed times tables

**Bake Off Challenge Cards:** Once you have completed your work, have a go at some of the Multiplication & Division Challenge Cards!

#### Test the Teacher!

Write out five word problems, which can be either multiplication, division or both, and show your teacher so they can answer them!

#### Sumdog – Mental Maths

Remember to log onto Sumdog daily for new Maths challenges!

**Music** Watch the video, complete the two tasks and upload your second task to the Music Channel. <https://youtu.be/TwS461k25bU>

**HWB** We are learning to show our emotions through patterns, colours and drawings.

Complete the My Emotions Wheel Art Activity Sheet. Use any colour, patterns or drawings that you feel best suits each emotion.

### Other Tasks

**French** - Click on the French Channel to complete your weekly task by Vito!

#### Renewable and Non-Renewable Energy

We are learning to identify the advantages and disadvantages of both renewable and non-renewable energy.

Watch the PowerPoint about **Renewable and Non-Renewable Energy**.

Complete the sorting activity where you must state if a type of energy is renewable or non-renewable. For each energy type, you must provide an advantage and disadvantage. Use the PowerPoint to help you!

Once you have completed this, you can have a go at the wordsearch.

**Art** – Have a go at making your own paper windmill!

<https://www.easy-crafts-for-kids.com/paper-windmill.html>

#### FINAL TASK – Energy Project

We are learning to research an energy resource.

Research a type of energy of your choice & create a poster, fact file or PowerPoint.

1. Is the energy renewable or non-renewable?
2. What are the benefits of this energy?
3. Are there disadvantages?
4. How does this energy get used?
5. Include a picture of the energy resource!
