

Murrayburn Primary School Home Learning

Primary 4 Monday 22nd February 2021

Literacy

Spelling We are learning to spell words with our spelling patterns.

See attached sheet.

Writing We are learning to write a story based on **The Windmill Farmer**.

<https://www.literacyshed.com/windmillfarmer.html>

I can plan my writing.

I can use 'show, don't tell' in my writing.

I can describe the setting using the five senses.

Reading We are learning to answer questions about **Climate Change**.

Read the information on the PowerPoint **What is Climate Change?** then answer the following questions.

1. What are the causes of Global Warming?
2. Why is Climate Change not good for the Earth?
3. How can we prevent Climate Change?

Talking & Listening We are learning to answer questions about **Climate & Animals**.

Use **The 5 Sisters Zoo links**. Watch the videos then answer questions about...

Habitats & Adaptations

Rainforests

Teeth, Diets and Food Chains.

Numeracy

Maths Topic – Multiplication

We are learning to use different strategies to solve multiplication problems.

Watch the attached PowerPoint to help you to complete your task.

Mild – Select 5 sums from the 2, 5 or 10 times table.

Spicy – Select 5 sums from the 3, 4 or 6 times table.

Hot – Select 5 sums from the 7, 8 or 9 times table.

For each sum, draw an array. Write the multiplication sentence. Write repeated addition and draw a number line to illustrate jumps.

Maths Topic – Division

We are learning to use different strategies to solve division problems.

Watch the attached PowerPoint to help you to complete your mild, spicy or hot worksheet activity.

Sumdog – Mental Maths

Remember to log onto Sumdog daily for new Maths challenges.

Music

Other Tasks

French

We are learning to talk about the weather in French.

Cut out the French weather phrases and pictures from the Files section of Teams.. Stick them onto card then play pairs!

Climate Change

We are learning to identify ways to fight Climate Change.

Watch the PowerPoint about **Climate Change and the Greenhouse Effect**.

Look at the following problems. Use your worksheet to note down ideas that you could do to help tackle Climate Change. Think about what could be done in Scotland to fight Climate Change.

1. Using too much electricity.
2. Pollution from cars.
3. Waste – too much plastic and rubbish.
4. Cutting down trees.

FINAL TASK – Animals Project

We are learning to identify animals living in different climate zones around the world.

Research an animal of your choice & create a poster, fact file or PowerPoint.

1. Where does your animal live?
2. What climate zone does it live in?
3. How has it adapted to its climate?
4. Present three facts about your animal.
5. Remember to include a picture of your animal!
