

Murrayburn Primary School Home Learning

Primary 5 1st March

Literacy

Spelling - Please practice the new set of words.

- **List of activities to practice**
- **Sumdog spelling is set up**
- **Spelling test powerpoint in folder**

Grammar

Watch the teaching video on onomatopoeia. This will help you when you come to write your comic strip. We have included two tasks as well, one for handwriting and a matching activity.

Reading

Complete one (or more) of the superhero comprehension sheets in the Teams folder. There are three different levels to complete. Note – All three levels are in the same document. You only need to do one of them!

Writing:

First – We still do not have all of the emails to send to Japan. PLEASE finish this and send it to your teacher if you have not already.

This week you are being asked to write and illustrate your own comic strip. Please watch the lesson video to learn about the features of a comic strip, as well as getting ideas for what the characters, settings and events could be.

Numeracy

24 Game:

You know the drill – make 24 using all 4 numbers. Can you beat your parents?

8 6 4 6	1 9 7 7	1 3 6 3
7 8 8 9	3 7 8 5	2 6 6 7

Division using a number line.

Division is tricky and there are lots of ways you can solve division sums. This video lesson shows you how to use a number line to divide and also to find remainders. Watch the lesson and then do a few sums from the sheet each day. 😊

Problem Solving –

Bears investigation. This investigation uses some of the division skills we have worked on this week, all the info is in the lesson video. Have a go at extending the investigation too and share what you do.

Spanish

Check and complete the activity in the Spanish channel.

Other Tasks

Music

Watch the video, complete the two tasks and upload your second task to the Music Channel.

<https://youtu.be/TwS461k25bU>

Topic – Thank you to those of you who finished your country presentations. There were some excellent ones! It's never too late to do these – If you haven't already, please complete one.

This week – we have discussed countries and continents. Please watch the power point explaining the different oceans.

Then complete the labelling and colouring activity for continents and oceans to build on your understanding of world geography.

Resilience

Follow this link or look at the file on Teams for a Place 2B superhero wide selection of activities; You do not have to do all of these.

[Superhero Project- Main Pack \(place2be.org.uk\)](https://place2be.org.uk)

Art

Watch the short PowerPoint about the artist Roy Lichtenstein, whose art was inspired by comics. Then follow the teaching video to create your own comic book style onomatopoeia drawing.
