

# Murrayburn Primary School Home Learning

## Primary 5 22nd February

### Literacy

**Spelling** - Please practice the new set of words.

- List of activities to practice
- Sumdog spelling

### Grammar

We have looked at apostrophes for possession. This week, please complete the work on apostrophes for CONTRACTIONS. See Mr Gardner's video power point video for an explanation.

### Reading

We will post your reading comprehension to your private channel. If you want to try the harder levels, they will be in the folder on Teams.

### Writing:

**First – You MUST please finish your email to Japan from last week. If you do not, then you will not receive a reply from the Japanese class.**

Second – You are learning to write a Haiku, which is a Japanese form of poetry. Watch the below clip to find out more about Haiku poems.

<https://www.youtube.com/watch?v=qnXY5-DJdd0>

Before you start to write your poem, please watch Ms McCarter's video power point in this week's folder for more help on what to do.

### Numeracy

#### 24 Game:

You know the drill – make 24 using all 4 numbers. Can you beat your parents?

1 4 2 2      8 2 8 8      8 6 5 6

7 6 3 7      7 5 5 2      2 5 3 2

#### Written multiplication – Week 2.

We're going to reinforce the learning you did last week. As before watch Mr Drummond's video on Teams and then have a go at some of the practice questions. 3 a day is better than the whole sheet in 1 go. 😊

#### Problem solving – Bar modelling Week 2.

We're building on last week's lesson in bar modelling. We're going to represent some simple word problems using a bar model. There is a video in the usual places to help you turn the problems into visuals! Get in touch if you need a hand!

#### Problem Solving –

Shape investigation. This is a bit different to previous investigations, it involves you drawing lines and making and naming shapes. If you watch the video, you'll get the idea. 😊

### Other Tasks

#### Music

Watch the video, complete the tasks then upload your work to your music channel. [https://youtu.be/NQt\\_ij\\_Rv-g](https://youtu.be/NQt_ij_Rv-g)

**Topic** – As with the Japanese emails, we need you to finish your projects please. Take your time and make them good! If you haven't finished, spend more time on these please. Remember the details: Any country, present in your own chosen format, include population size, capital city, climate, flag, food, currency, buildings, language, interesting facts and the flag.

Shout out for some of the amazing presentations so far! Mexico, Australia, Spain and Japan have featured!

If you have finished – Choose one of the European capital city activities. One of them will need to be printed out but don't worry if you can't do this. If you finish you could colour in the map.

#### Spain

Check and complete the activity in the Spanish channel.

#### Art

Watch the short clip below to learn a little bit about Mount Fuji, Japan's highest mountain. Mr Gardner has climbed it!

<https://www.youtube.com/watch?v=nYLMNQ77FjM>

Now follow the how to draw video to create your own drawing of Mount Fuji.
